4. The copies of bid agreement executed in Kerala stamp paper worth Rs.200/-, Permanent Account Number (PAN), GST registration certificate with signature duly affixed and Experience certificate showing experience in the execution of Civil works in Govt/ Public sector undertakings as a contractor and shall be submitted along with the tender. The GST REGISTRATION CERTIFICATE shall be submitted along with the tender.
5. The Pre-qualification Bid shall be opened at Head Quarters of Kerala Cricket Association, K.C.A Complex, T.C-28/152, Sasthamkovil Road, Thycaud, Thiruvananthapuram, 695014 on the date and time mentioned above. If the date fixed for opening of tenders happens to be a holiday, tender shall be opened on the next working day atthe same time.
6. Before filling up the tenders, the bidders may note the following:
 - a. The tenderer should quote the rates in figures as well as in the words. The rate for each item should be worked out and the requisite total amount shall be calculated accordingly. Rates quoted by the bidder in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates, figures and words. However, if a discrepancy is found in the rates in words and figures, then the rates quoted in words shall be taken as correct.
 - b. The tenderers must include in their tender prices quoted for GST transportation charges,

loading and unloading charges, Labour charges and any local charges etc. if applicable. No extra claim on this account will in any case be entertained.

- c. The tender document must be filled in English. Incomplete tender documents shall be considered invalid except in cases where additional details can be called for, if the tendering authority decides to call for- to substantiate the bid submission.
- d. All taxes including GST or any other payable/ prevailing tax on material or on finished works etc. or insurance cost, transportation etc., in respect of this contract shall be payable by tenderer and the KCA will not entertain any claim whatsoever in this respect over the quoted price.
- e. **The tender will be conducted as an open tender under the Design and Build format, enabling bidders to propose innovative and technically sound alternatives to the construction of a conventional retaining wall. Proposals will be considered even if the bidders present a fully alternative geotechnical solution or a hybrid structure incorporating geotechnical elements with RCC, RR, or DR works.**
- f. Bidders must clearly justify their choice of structural solutions for the specific site conditions in their reports. For reference, the site setout plan and proposed structural details of the RCC structure are attached.
- g. So as part of the bidding process, all bidders are required to submit a **Technical Feasibility Report** along with their proposals. The feasibility report must comprehensively analyze the technical, structural, and execution feasibility of the proposed methodology.

The Feasibility Report must include:

- ***Detailed Methodology & Procedures:** A step-by-step explanation of the proposed construction techniques, including material specifications and execution strategies.*
- ***Case Studies:** Analysis of similar completed projects, highlighting best practices, challenges, and solutions implemented.*
- ***Project-Specific Analysis:** A study tailored to the KCA Cricket Ground's site conditions, including soil stability assessments, risk evaluations, and recommended retaining solutions.*
- ***Stage-wise Execution Plan:** A detailed breakdown of project execution in sequential*

stages, ensuring clarity in workflow and timeline.

- ***Illustrative Representations:*** *Photographs of past projects demonstrating similar solutions, Graphs & Data Tables supporting technical findings and calculations, Diagrams & Pictorial Representations for a clear visual understanding of the proposed methods.*
- ***Quality & Safety Measures:*** *An outline of safety protocols, quality control measures, and adherence to relevant standards.*
- ***Cost-Efficiency & Sustainability:*** *Evaluation of the most cost-effective and durable solution tailored to the site's needs.*

- h. Bidders proposing soil nailing or any alternative geotechnical solutions must submit a comprehensive geotechnical assessment along with a feasibility report. Additionally, bidders are required to specify and provide documentation on the durability and expected lifespan of the proposed structure.
- i. Bidders are required to deliver a PowerPoint presentation outlining their proposal.
- j. A geotechnical consultant will be appointed to review the proposal and compare the feasibility reports submitted.
- k. Selection Process: The final selection of the contractor will be based on the technical viability, cost-effectiveness, and feasibility of the proposed solution. **Only those bidders who meet the pre-qualification criteria will have their price bids opened.**
- l. Before quoting, **the tenderer shall inspect the site**, to fully acquaint himself about the condition in regard to accessibility of the site, working condition of site, locality including installations of tools and plants (T&P) and local authority regulations / restrictions if any, conditions affecting accommodations and movement of personnel etc. required for the satisfactory execution of the work contract. **No claim whatsoever on such account shall be entertained by the KCA in any circumstances.**
- m. In case of any clarifications and site inspection, please contact:

Er. Sishan Sharafudeen,
Manager, QS & Billing, KCA.

13. Signed copy of General Tender terms
14. Signed copy of Special Conditions of Contract.
15. Signed copy of Technical Specifications.

Cover No. 2 – “Price Bid” containing

1. Sealed cover containing Quoted Tender Schedule.

- Points to be noted for Bidders:

- The tender schedule must include the rates for each item mentioned as per the submitted proposal. It should be prepared in the KCA-approved format and must comprehensively list all necessary components.
- The tender schedule should cover: design charges, mobilization and de-mobilization charges, itemized rate description with a detailed breakdown of each work item, ensuring that the quoted rate includes labour, materials, machinery, and all other associated costs.
- This submitted tender schedule will serve as the basis for all further proceedings, including contract execution, billing, and post-award processes. ***No claims for additional items beyond those listed in the tender schedule will be entertained.*** Therefore, bidders must ensure that all required items and costs are thoroughly accounted for in their submissions.

“Failure in submission of any one of the above items will lead to the rejection of the tender. Price should not be mentioned in any other documents or anywhere else other than QUOTED TENDER SCHEDULE”. If any discrepancy is noticed in the tender submitted by the bidder through the hard copy, the tender will be summarily rejected.

Important: Please note that the PRICE BID of the tenderers will be opened only for those who have qualified in the Pre-Qualification stage.
