9. If the Contractor fails to commence the work within specified time or not completed the work on the specified date of completion (i.e. including duly sanctioned extension, if any, without any fines or recovery towards liquidated damages), recovery against liquidated damages as per agreement will automatically be enforced subject to a maximum of 10% of estimated amount of work or contract amount whichever is higher from any amount due to the Contractor. If this amount is not sufficient, this will be recovered by way of prevailing law in force.

10. If any additional item of work has to be done for the proper/satisfactory completion of any item of the work as envisaged by this contract in the opinion of the Engineer-in-charge which is not mentioned in the Schedule of Work or elsewhere, the Contractor has to do the same at his same quoted rate. The rate quoted shall include all such expenses and no other claim in this regard will be allowed in any manner.

11. After awarding the work, the Contractor should submit a programme /schedule for the work on fortnightly basis for the total period of work (duration of work). The work shall be commenced immediately after executing the agreement and shall be completed within **5 months positively**.

12. Upon awarding the contract, the contractor must remit a security deposit equivalent to 5% of the estimated PAC at the time of executing the agreement. This deposit should be made in the form of a Demand Draft (DD), Bank Guarantee, or Term Deposit in favour of the Kerala Cricket Association, Thiruvananthapuram, payable at Thiruvananthapuram.

13. The Contractor or a person, duly authorized by the Contractor and technically competent shall be present at site during the course of execution of work. The letter, authorizing the person shall be submitted to the Engineer-in-charge prior to the commencement of work.

14. The programme and scheduling of work may have to be made and modified to suit the progress and programmes of such other contract agencies involved in the execution of similar work at the site.

15. The Contractor shall be responsible for maintaining good order in the work site and shall employ such officers, watchmen or persons as may be required. Unauthorized persons may be excluded from the work site. The Contractor shall ensure that the work and peaceful atmosphere in the above place is not disturbed due to the work carried out at site.
16. Each and every Contractor should co-operate fully with all other agencies, who have undertaken work in the same compound.
17. All features including necessary labour for carrying out field tests shall be provided by the Contractor without any extra cost.
18. The Contractor shall pay his own labourers the minimum wages as applicable in the area plus fringe benefits and other customary benefits that are or may become payable in the locality. As such, increase in the minimum wages, fringe benefits and other customary benefits that the Contractor may have to pay from time to time either based on conciliation or otherwise will not be reimbursed by the KCA.
19. The Contractor will have to make his own arrangements for the accommodation of his staff and workers.
20. The Contractor will be required to carry out the work during normal working hours on working days only.
21. All duties, taxes such as GST, Income Tax, recovery towards Construction Workers Welfare Fund etc. will be recovered from the bill at the rates prevailing at the time of payments in force. Any other statutory recoveries that are to be deducted from the bill as per the Government Order will be affected without any notice.
22. The contractor is responsible for ***obtaining all necessary approvals and NOCs*** from Geology, Panchayath, and other relevant local authorities.
23. The Contractor will be required to execute extra items of work also if found necessary during the course of execution. Extra items will include only items of work highly necessary for the proper execution and completion of the work and were not provided for in the Original Contract. Extra items of work shall be taken up only on written instructions of the Engineer-in-charge.

24. The rates for extra items will be worked out based on the DSR at the time of inviting the bids, irrespective of the time of execution of the extra items of work. This means the rates of labour, materials and other charges shall be same in the schedule of rates on which the tender was based. The rate once fixed for an item will not be varied during the currency of the contract. The rates for the extra items are worked out based on the schedule of rates, applicable to the original accepted schedule. This means revision or increase of labour charge, cost of materials and other charges, if any, will not be considered for calculation of rates of extra items.
