EXPRESSION OF INTEREST (EOI)

DESIGN, SUPPLY AND INSTALLATION OF BALL HIT FENCE AT SOUTH-WEST SITE OF KCA CRICKET GROUND MANGALAPURAM, THIRUVANANTHAPURAM

EOI No: KCA/EOI/02/MGPM/Ball Hit Fence/2026 dated 03.02.2026

1. Introduction

Kerala Cricket Association (KCA) hereby invites Expression of Interest (EOI) from professional / licensed / experienced firms for the Design, supply and installation of Ball Hit Fence at southwest side at KCA Cricket Ground, Mangalapuram, Thiruvananthapuram

This is a single-stage EOI process wherein both technical credentials and a financial proposal are invited for evaluation and selection. Selection will be based on technical credentials and conceptual design proposal.

2. Project Details

- The proposed project involves the fabrication and installation of a ball protection fencing system along the South West Road side of the cricket ground/stadium under the Kerala Cricket Association. The primary objective of the work is to enhance player and public safety by preventing cricket balls from crossing the boundary and entering adjoining roadways and public areas. The fencing system shall be designed to withstand repeated ball impacts, wind loads, and prevailing site conditions while ensuring durability and long-term performance.
- The scope of work includes site inspection, setting out, excavation, and construction of RCC foundations for supporting steel fence posts of varying heights, as per site requirements and approved drawings. The work further comprises fabrication, supply, transportation, erection, and alignment of GI steel posts, including all necessary bracings, stiffeners, and anchoring arrangements to ensure structural stability. High-strength ball-stop fencing mesh or netting shall be fixed to the steel framework with proper tensioning arrangements to avoid sagging or deformation over time.

- The contractor shall also be responsible for surface preparation, application of anti-corrosive treatment, primer, and protective paint system to all exposed steel components. All materials used shall conform to relevant IS codes and approved specifications. The scope additionally includes cleaning of the work area, removal of debris, and handing over the completed fencing system in a safe and functional condition. All works shall be executed in coordination with KCA officials and in compliance with safety, quality, and workmanship standards.

3. Scope of Work

The selected firm will be responsible for:

- Executing the approved designs using quality materials in line with the specifications
- Ensuring all works are carried out in alignment with KCA's technical standards and guidelines.

4. Site Visit Requirement

Firms must visit the site prior to submitting the proposal in order to understand the existing layout and practical conditions.

For arranging site visits and for any other details and drawings, please contact:
