To
The Secretaries,
All District Cricket Associations (DCAs).

Subject: Strict compliance regarding participation in unregistered/unrecognized tournaments – Disciplinary action – Reg.

Dear Sirs,

This is to inform you that it has come to the notice of the Kerala Cricket Association that several registered players under various District Cricket Associations are participating in unregistered / unrecognized private tournaments conducted without the prior approval of KCA / BCCI.

In this regard, an email communication along with the BCCI Circular was already sent to all DCAs, instructing to inform all players under your jurisdiction not to participate in such unregistered tournaments, failing which they will be liable for disciplinary action as per the Constitution, Rules and Regulations of KCA and BCCI.

It has further come to the notice of KCA that some players are participating in such tournaments by changing / concealing their names to evade detection. This is a serious misconduct and amounts to a violation of the Code of Conduct.

All District Cricket Associations are hereby once again directed to:

1. Immediately circulate this instruction to all players, coaches, clubs and academies affiliated under your association and ensure strict compliance;
2. Advise all players not to participate in any tournament / league which is not approved / recognized by KCA and BCCI; and
3. Inform players that participation in such unregistered tournaments shall attract disciplinary proceedings, including but not limited to suspension, ban from selection trials and debarment from all official tournaments of KCA and BCCI, as per the Constitution of KCA.
4. To display this notice prominently on your official website and notice board to ensure that it is brought to the attention of all concerned.

Please note that KCA has put in place a mechanism to monitor and observe all unregistered tournaments being conducted across the State to identify participation of registered players and cases of impersonation / change of name.

Your full cooperation is solicited for maintaining discipline and upholding the integrity of the game.

Thanking you,

Yours faithfully,

Vinod S Kumar

Secretary

Kerala Cricket Association
